JACK

	JACK Junior	Professional Grade	Premium Plus
STAY ON SCHEDULE			
Drag and Drop Calendar Schedule your jobs, crews and resources quickly and easily from one place	✓	✓	✓
Multi-User Calendar Allow your employees to log in and see only the information they need to see		✓	✓
Integrated Weather Forecast Never get caught in the rain! Weekly weather is overlaid over the job scheduling calendar		✓	✓
Rain-Day Rescheduler Keep your customers happy by rescheduling raindays to work around their schedules.			✓
Job Mapping Save time and fuel by knowing where you're going, and the most efficient route to get there	✓	✓	✓
Reminder Icons, Heads up Display Never lose a tool again - icons help you stay organized and each job's required actions	✓	✓	✓
MANAGE YOUR EMPLOYEES			
Crew, Employee and Resource Management Easily manage your employees crews and resources (compressors, trailers, skyjacks, etc.)	✓	✓	✓
Employee Hour, Performance Tracking Easily track your employees hours and performance, even from a smart phone or tablet!*	✓	✓	✓
Overtime Tracking Set overtime thresholds and track overtime hours		✓	✓
Payroll and Paystub Generation Automatically produce paystubs complete with all calculations and remittence amounts		✓	✓
MAKE MORE MONEY			
Customer Relationship Management (CRM) - Track Leads, Opportunities and Customers No more missed opportunities: track your potential jobs and know upcoming work		✓	✓
Online Lead Tracking Leads from your website(s) are automatically entered into the opportunity database		✓	✓
Schedule, Track and Map Estimates Estimate maps let you estimate quicker, and give you all the info you needed for accuracy	✓	✓	✓
Job Costing and Profitability Reports You no longer have to be an accountant to see how much money you made on each job		✓	✓
Invoicing System Get paid faster with the no-hassle invoicing system. Email or Print invoices in just minutes	✓	✓	✓
Take Deposits by Credit Card** Take credit card deposits directly from the application through your mobile device*		$	$
Integrate with your Accounting System** Your bookkeeper may not thank you but your pocket book will - synchronize your data!		$	$
Customer Feedback Mechanism Avoid the risk of bad word spreading - satisfaction surveys can be automatically sent out			✓
